Directions and Registration Forms are attached.

**** There will be no breakfast or lunch served. ****

Who Should Attend: Individuals who have received a “T-number” for Temporary Screener Certification and Affiliated Emergency Services Coordinators receive priority during registration. Those who may qualify for a T-number before the current training series ends may request Technical Assistance Center (TAC) approval to attend the series prior to qualifying for temporary certification. You must qualify for temporary certification in order to take the exam.

Crisis Intervention Specialists without a T-number or screeners who are reinstating expired certifications may attend one or more classes as space allows and with prior approval of the TAC.

Attendance Policy: Important! Attendees must arrive on time for each training in order to receive credit for that class. Attendees arriving more than 30 minutes after the start of any of the above noted trainings, or who miss more than 30 minutes of content during a training, will not receive credit for that specific training. They may make up any course that they missed when it is next scheduled.

Technical Assistance Center Mission Statement

UBHC-Technical Assistance Center promotes quality outcomes in behavioral health care
 though excellence in training and consultation to the health care community.
 We are committed to the UBHC values of effective, efficient, accessible and compassionate care.

***We gratefully acknowledge the sponsorship of this program by
