Who Should Attend: Individuals who have received a “T-number” for Temporary Screener Certification and Affiliated Emergency Services Coordinators receive priority during registration. Those who may qualify for a T-number before the series ends may request Technical Assistance Center (TAC) approval to attend the series and take the exam.

Crisis Intervention Specialists without a T-number may attend one or more classes as space allows and with prior approval of the TAC.

Attendance Policy: Important! Attendees must arrive on time for each training in order to receive credit for that class. Attendees arriving more than 30 minutes after the start of any of the above noted trainings will not receive credit for that specific training. They may make up any course that they missed when it is next scheduled.

Technical Assistance Center Mission Statement
UBHC-Technical Assistance Center promotes quality outcomes in behavioral health care through excellence in training and consultation to the health care community. We are committed to the UBHC values of effective, efficient, accessible and compassionate care.
